

Formerly The Verde Valley Senior Center... Serving Our Community Since 1979

Mission: To provide a sense of community that is focused on vital services and enriching opportunities that support independence and well being of older adults in the Verde Valley.

Vision: To be a vibrant hub where individuals thrive through connection, nourishment, learning, and community support while in a safe, reliable, and interactive environment.

Dear Friends, Neighbors, and Supporters,

I am honored to introduce myself as the new Executive Director of the Verde Valley Senior Citizens Association, Inc. As part of our exciting future, we are rebranding our beloved **Verde Valley Senior Center** to **"The Station on 6th."** This new name reflects both our long-standing history and our vision for a vibrant gathering place where seniors find connection, dignity, and care.

As we look ahead, we also pause to honor the past. With heartfelt remembrance, we recognize **Elaine Bremner**, who faithfully served as the Senior Center's original Executive Director for nearly a quarter of a century. Elaine's vision, dedication, and compassion laid the foundation for the services we continue today. Her legacy lives on in every meal delivered, every smile shared, and every senior who finds comfort and companionship through our variety of expanding programs.

While our name is changing, our work remains steadfast: **to provide uninterrupted Meals on Wheels service and create expanded opportunities for seniors to thrive through shared meals, engaging and fun activities, and health and wellness programming.**

Every day, our **Meals on Wheels** program delivers more than food—it delivers safety checks, compassion, and reassurance to homebound seniors who might otherwise go hungry or unseen. For many, our drivers are the only visitors they will see in a week. Inside our dining hall, seniors gather for lunch, laughter, and a growing schedule of morning clubs, educational talks, and wellness activities.

As we move forward with this strategic plan, I invite you to join us. The **Arizona Charitable Tax Credit** allows you to direct your state tax dollars to support local seniors right here in the Verde Valley. At no additional cost to you, your gift can help us ensure that no senior is left isolated or hungry.

On behalf of the seniors we serve, thank you for your generosity and trust. Together, we are building a stronger, more connected Verde Valley.

With gratitude,

Erin Mabery

WE LOVE OUR VOLUNTEERS!

Thanks to our dedicated volunteers, Meals on Wheels reaches every corner of our community—**Jerome, Clarkdale, Cottonwood, Camp Verde, Cornville, Beaver Creek, Lake Montezuma, and unincorporated areas of Yavapai County.** Together, our volunteer drivers along with our kitchen and administrative helpers, **prepare and deliver more than 40,000 meals each year.** With **17 routes covering 1,745 miles each month,** and **over 327 volunteer hours donated monthly,** they ensure seniors are nourished, connected, and never forgotten!

Monday through Friday, The Station on 6th also **serves over 11,000 delicious, nutritious meals a year** in our beautiful dining room. By utilizing our historic and multipurpose facility, we connect hundreds of individuals with wellness and health information, local and relevant resources, financial and planning advisors, music and entertainment opportunities, engaging activities and games, but most importantly, we connect our community members with other folks sharing similar interests.

“Without Meals on Wheels, my interaction with the outside world would be almost non-existent. I look forward to seeing my delivery driver and I know he cares about me.”
—Meals on Wheels recipient, Cottonwood

“Mom can’t drive anymore, and living alone so remotely in Rimrock, Meals on Wheels is the perfect solution to keep her living at home. I know she is getting the nutrition she needs and a friendly check in several times a week.” —Camp Verde resident

“My neighbor moved in from out of state. As a welcome, I got a few meal vouchers for him at the Station on 6th, hoping he will join me for lunch, connect with new friends and enjoy good food while he gets settled.” —Lamplighter resident, Clarkdale
